Independent Auditor's Report

To the Board of Directors
YWCA of High Point, NC, Inc.
High Point, North Carolina

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of YWCA of High Point, NC, Inc. as of December 31, 2014 and 2013 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

YWCA OF HIGH POINT, NC. INC.

Notes to Financial Statements December 31, 2014 and 2013

NOTE 1 - Summary of Significant Accounting Policies and Nature of Organization

Nature of Organization – The Young Women’s Christian Association of High Point, NC, Inc. (the Organization) is a non-profit organization established under the laws of the State of North Carolina for the purpose of promotion of growth in Christian character and service through physical, social, mental, and spiritual training. Its current programs include:

Aquatics – Provides swimming instruction for infants to senior adults including adaptive aquatics for physically and mentally challenged individuals, competitive swim, water exercise, and lifeguard training.

Child Care – Provides safe and affordable care for school age children, ages 5-12, including programs before and after school and full day care during holidays and summer vacation.

Family Life – Programs to strengthen individuals and families through parent education for teen mothers, providing necessities for infants from low income families, and offering supportive education groups for female teens to delay sexual activity and adolescent pregnancy.

Women’s Services – Programs designed to increase awareness of women’s health issues.

Pottery Studio and Art – Provides workshops and classes for adults and youth.

Latino Family Center – The Center is dedicated to improving the quality of life and to promoting community participation of Latinos living in the community.

Basis of Accounting – The financial statements have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities. The financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) ACS 205, Financial Statements of Not-for-Profit Organizations. Under (SFAS) ACS 205, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The Organization has no permanently restricted net assets.

Cash and Cash Equivalents – For purposes of the statements of cash flows, the Organization considers all cash accounts which are not subject to withdrawal restrictions and all highly liquid investments with a maturity of three months or less to be cash equivalents.

Promises to Give – The Organization recognizes unconditional promises to give as support in the period the promise is received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Notes to Financial Statements December 31, 2014 and 2013

NOTE 1 - Summary of Significant Accounting Policies and Nature of Organization (Continued)

Accounts Receivable – Accounts receivable are unsecured and consist primarily of amounts due for program services provided. Management considers all accounts receivable to be collectible; therefore, no allowance for doubtful accounts has been provided.

Inventory – Inventory consists of donated clothing to the career closet for the Women’s Service program. Valuation is determined by using thrift shop values.

Property and Equipment – Property and equipment are recorded at cost when purchased and fair value when donated. Major additions or betterments are charged to the property accounts while replacements, maintenance, and repairs are generally charged to expense as incurred. The Organization’s definition of a capital item is a purchase exceeding \$500 with a depreciable life of three years or more. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. Depreciation expense for the years ended December 31, 2014 and 2013 was \$62,926 and \$53,205, respectively.

The Organization reports gifts of property and equipment as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expiration of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor.

The Organization reviews its long-lived assets for impairment whenever events or circumstances indicate that the carrying amount of an asset may not be recoverable. If this review indicates that the asset will not be recoverable, based on the expected cash flows of the related assets, an impairment loss is recognized and the asset’s value is reduced. No such impairment loss was recognized during the years ended December 31, 2014 and 2013.

Concentration of Credit Risk – Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash and cash equivalents. The Organization maintains its cash balances in bank deposit accounts that, at times, may exceed federally insured limits. These accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per institution and did not exceed the federally insured limit at December 31, 2014 and 2013.

Income Taxes – The Organization is exempt from income tax under Section 501(c) (3) of the Internal Revenue Code. Effective January 1, 2009, the Organization implemented the accounting guidance for uncertainty in income taxes using the provisions of Financial Accounting Standards Board (FASB) ACS 740, Income Taxes. Using that guidance, tax positions initially need to be recognized in the financial statements when it is more-likely-than-not the position will be sustained upon examination by the tax authorities. Such tax positions initially and subsequently need to be measured as the largest amount of tax benefit that has a greater than 50% likelihood of being realized upon ultimate settlement with the tax authority assuming full knowledge of the positions and relevant facts.

YWCA OF HIGH POINT, NC. INC.

Notes to Financial Statements December 31, 2014 and 2013

NOTE 1 - Summary of Significant Accounting Policies and Nature of Organization (Continued)

As of December 31, 2014, the Organization had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements and has incurred no interest or penalties related to unrecognized tax liabilities. With few exceptions, the Organization is no longer subject to income tax examinations by tax authorities for years prior to 2011.

Revenue Recognition – Revenue and other support (including unpaid pledges) are recorded at date of receipt as unrestricted, temporarily restricted, or permanently restricted, depending on the existence and/or nature of any donor restrictions. Pledges due are recorded at their present value.

Contributions and Grants – Contributions and grants received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. Upon expiration of a time restriction or compliance with the purpose restriction, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Functional Expenses – Expenses are charged directly to program or management in general categories based on specific identification. Indirect expenses have been allocated based on an analysis of personnel time and space utilized for the related activity.

Investments – Investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values. Changes in unrealized gains and losses are recognized each year and are included in the Statements of Activities.

Use of Estimates – The presentation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events – Management has evaluated subsequent events through August 28, 2015, the date the financial statements were available to be issued.
